Insured Event
Defined as any competitive or noncompetitive motorsport event (including official practice, qualification and training) taking place under a permit granted from NORA 92 Ltd trading as NORA Motorsport, provided the relevant premium has been paid. The policy also extends to cover affiliated clubs for their social activities which are not run under permit.

Medical Services Personnel
The insurance requires that you take reasonable steps to ensure medical personnel are suitably qualified and are members of the appropriate professional body, with their own malpractice insurance. However, the policy covers those volunteers (paramedics, nurses and junior doctors who have no insurance for activities outside of their normal employment)

Landowners
The policy indemnifies landowners in respect of their potential legal liability to third parties following an accident in connection with an insured event where they have allowed the use of their land. Landowner is defined as being any person, firm or entity (including any circuit owner, local authority, the forestry commission or any minister or ministry of the national government) whose permission is necessary for the holding of an insured event as Principal(s) in any contract entered into by the NORA 92 Ltd trading as NORA Motorsport or any insured.
